

## **Data-Use & Privacy Statement**

**App Name:** CA1

**Developer:** Brona Keevers

**Last Updated:** 13/10/2025

### **1. Overview**

This app does not collect, share, or transmit any personal or sensitive user data. All information and settings remain stored locally on your device and are never sent to external servers.

### **2. Data Collection and Use**

- The app does not collect personal data such as names, emails, contacts, or location.
- No analytics, advertising, or tracking tools are used.
- The users age may be requested to check for age restrictions.

### **3. Data Storage**

Any data created by the app (for example, user settings, preferences, or saved items) is stored only on your device's internal storage. You can delete this data anytime by uninstalling the app or clearing its storage from system settings.

### **4. Network Access**

The app does not connect to the internet. All functionality is fully available offline.

### **5. Third-Party Access**

No data is shared with third parties. The app has no integration with third-party services or SDKs.
